

Evaluating Nonprofit Business Partners

Are my partners Mission-Friendly ?

YES

NO

Do they understand our Mission?

Do they provide us the same level of service as for-profit clients?

Do they sponsor our fundraisers?

Do their employees volunteer their time?

Do they donate towards our Mission in other ways?

Are they a community promoter of our mission?

Do they show and share that they care about our Mission's success?

Do they connect our Mission to other Mission friendly vendors?

Are they good financial stewards with our budget?

Are they a trusted partner with the nonprofit community?

Does their company culture align with ours?

Does the company have a good reputation?

Can this company positively impact our nonprofit's mission?

Does their mission statement parallel ours?

Are they proactive and available?
